

NTHRYS WORKSHOPS

Ethical And Regulatory Perspectives In Immunology

8:45 AM - 10:15 AM: Session 1: Ethical Considerations in Immunological Research

Overview of ethical issues in immunological research.
Case studies on ethical dilemmas in studying immunology.
Workshop on addressing ethical considerations in immunological research.

10:15 AM - 10:30 AM: Coffee / Tea / Snacks Break

Networking and refreshments.

10:30 AM - 12:00 PM: Session 2: Regulatory Frameworks for Immunology

Exploring regulatory guidelines and requirements for immunological research.
Case studies on navigating regulatory challenges.
Workshop on understanding international regulatory frameworks.

12:00 PM - 1:00 PM: Lunch Break

Catered lunch and networking opportunity.

1:00 PM - 2:30 PM: Session 3: Public Perception and Communication

Workshop on improving public understanding of immunological research.
Techniques for effective science communication.
Case studies on public engagement and education initiatives.

2:30 PM - 2:45 PM: Short Break

Time for a stretch and informal discussions.

2:45 PM - 4:15 PM: Session 4: Policy and Planning for Immunological Research

Discussion on policy and planning for sustainable immunological research.
Case studies on effective policies and planning strategies.
Workshop on integrating ethical and social considerations in immunological research.

4:15 PM - 4:30 PM: Coffee / Tea / Snacks Break

Last networking opportunity with snacks.

4:30 PM - 5:30 PM: Closing Session: Implementing Changes and Technology Adoption

Group discussions on implementing new techniques learned today.
Dialogue on overcoming challenges in adopting new technologies in similar sectors.
Feedback session and closing remarks.

Certificate Issue

5:30 PM: Workshop Concludes
