

NTHRYS WORKSHOPS

Ethical And Regulatory Perspectives In Molecular Cancer Research

8:45 AM - 10:15 AM: Session 1: Ethical Considerations in Cancer Research

Overview of ethical issues in cancer research.
Case studies on ethical dilemmas in studying and treating cancer.
Workshop on addressing ethical considerations in cancer research.

10:15 AM - 10:30 AM: Coffee / Tea / Snacks Break

Networking and refreshments.

10:30 AM - 12:00 PM: Session 2: Regulatory Frameworks for Cancer Research

Exploring regulatory guidelines and requirements for cancer research.
Case studies on navigating regulatory challenges.
Workshop on understanding international regulatory frameworks.

12:00 PM - 1:00 PM: Lunch Break

Catered lunch and networking opportunity.

1:00 PM - 2:30 PM: Session 3: Public Perception and Communication

Workshop on improving public understanding of cancer research.
Techniques for effective science communication.
Case studies on public engagement and education initiatives.

2:30 PM - 2:45 PM: Short Break

Time for a stretch and informal discussions.

2:45 PM - 4:15 PM: Session 4: Policy and Planning for Cancer Research

Discussion on policy and planning for sustainable cancer research.
Case studies on effective policies and planning strategies.
Workshop on integrating ethical and social considerations in cancer research.

4:15 PM - 4:30 PM: Coffee / Tea / Snacks Break

Last networking opportunity with snacks.

4:30 PM - 5:30 PM: Closing Session: Implementing Changes and Technology Adoption

Group discussions on implementing new techniques learned today.
Dialogue on overcoming challenges in adopting new technologies in similar sectors.
Feedback session and closing remarks.

Certificate Issue

5:30 PM: Workshop Concludes
