

NTHRYS WORKSHOPS

Protozoology In Disease Research

8:45 AM - 10:15 AM: Session 1: Protozoa in Infectious Diseases

Introduction to protozoa in infectious diseases.
Case studies on protozoa-borne diseases.
Practical session on diagnosing and studying protozoa infections.

10:15 AM - 10:30 AM: Coffee / Tea / Snacks Break

Networking and refreshments.

10:30 AM - 12:00 PM: Session 2: Therapeutic Approaches

Techniques for developing therapies targeting protozoa.
Case studies on therapeutic development.
Practical session on screening therapeutic candidates.

12:00 PM - 1:00 PM: Lunch Break

Catered lunch and networking opportunity.

1:00 PM - 2:30 PM: Session 3: Vaccine Development

Using protozoology in vaccine development.

Case studies on vaccine research.
Practical session on developing and testing vaccines.

2:30 PM - 2:45 PM: Short Break

Time for a stretch and informal discussions.

2:45 PM - 4:15 PM: Session 4: Future Challenges in Disease Research

Discussion on future challenges and opportunities in protozoology for disease research.
Strategies for addressing these challenges.
Networking session for collaborative solutions.

4:15 PM - 4:30 PM: Coffee / Tea / Snacks Break

Last networking opportunity with snacks.

4:30 PM - 5:30 PM: Closing Session: Implementing Changes and Technology Adoption

Group discussions on implementing new techniques learned today.
Dialogue on overcoming challenges in adopting new technologies in similar sectors.
Feedback session and closing remarks.

Certificate Issue

5:30 PM: Workshop Concludes
